Mileage

Data on the fixed mileage and its changes was collected from various sources

Autoistorija.lt insight:

Our data is sourced from various official data sources, but we still recommend performing a professional car inspection with specialists.

Traffic accidents/damages

Data collected from various sources on fixed traffic incidents/damages

Important before assessing damage:

Not all records in the report indicate an actual consequence of damage or a traffic accident.

Some records may appear not due to the damage itself, but as a result of damage assessments, residual value calculations, insurance company processes, costly repair works, inspections, diagnostics, pre-sale evaluations, or other formal procedures.
